

**2025 Annual AIT Conference: “Inhalation Trailblazers”.**

**Date: 3<sup>rd</sup> to 5<sup>th</sup> June 2025 in Milton Keynes, UK.**

**There will also be an opportunity to attend an ImmuONE Laboratories visit, which includes a practical inhalation session hosted by Labcorp, on Monday 2<sup>nd</sup> June 2025 (limited to 50 people, first registered take priority).**

### **Why attend?**

#### **Scientific Agenda Topics in Planning (subject to change):**

- EU Funded HARMLESS Project
- In-vitro topics
- NAMs
- E-cigarettes (cannabinoids, regulatory perspective, clinical cases)
- Organoids/microphysiological systems/AI predictive toxicology
- Inhalation combination dosing studies (2 active ingredients mixed in one formulation), best practices and regulatory view

#### **Additional Benefits:**

Attending commences or renews your AIT membership for the next 3 years (membership allows access to the secure members area of the AIT website to view the recorded webinars and PDF presentations that are held there from the previous year)

**Student rate plus 1 student travel grant available:** see details of the travel grant on our website at <https://www.aitoxicology.org/>

**Registration will open in January 2025: see details on our website at <https://www.aitoxicology.org/> Exhibitors and Sponsors please contact us for more information**

**Call for Posters: Poster prizes this year for best poster and best student poster!**

*All scientific topics relating to inhalation toxicology are welcome!*

**You will need to register and pay as a delegate if you plan to attend with your poster**

If you would like to bring a poster with you then please let the AIT know as soon as possible at [aitoxicology@gmail.com](mailto:aitoxicology@gmail.com) to allow the AIT committee to accept the poster submission.
